

BEGINNING PIANO LITERATURE

Welcome to the Beginning Piano Literature Collection

This collection contains fifty-four original literature selections compiled by Carolyn Inabinet and edited by Fred Karpoff

Beginning Piano Literature has three presentations to facilitate executing technical movements into early literature:

- 1) Thumbnails of each piece presented in alphabetical order by composer
- 2) Four sections organized by Entrada® Technical Movements
[To see a video demonstration of these ten movements for beginning students, visit the PianoFonics.com website: www.pianofonics.com/first-impressions]
 - Non Legato/Portato and Legato
 - SlurSlides
 - Vibrato
 - In and Out
- 3) A Table of Contents* grouped into four sections based on beginning pedagogical concepts
 - Coordination Beginnings
 - Basic Rhythm
 - Rhythm Subdivisions
 - PentaScale Position

* The page numbering follows the Entrada® Technical Movements sections
